

## Pryors Hayes Singles Strokeplay Competitions, Summer 2024

The handicap limits per Division are shown below and will be effective for Saturday and Wednesday competitions from April 2024.

### Competition Structure.<sup>1</sup>

Major Trophy events and all midweek Trophy events are played in a single Division. A small number of Trophy events are played in 2 Divisions for separate Trophies, for handicaps 0 to 17 and 18 to 54 respectively. **Please Note:** a minimum of 20 players are required to compete in any trophy competition for that competition to be valid. If that is not the case the competition will be rescheduled.

All other (individual) Saturday competitions are played in 3 Divisions, as follows<sup>2</sup>:

Division 1	:	Handicaps	0 to 13
Division 2	:	Handicaps	14 to 20
Division 3	:	Handicaps	21 to 54

All other Wednesday competitions are played in two Divisions, 0 to 19 and 20 to 54.

There is a prize for the most Merits Points accumulated in the “Race to November” competition and there is also a prize for the best eclectic gross score from all scheduled *qualifying competitions* during the summer programme.

Competition rules and pre-qualification rules for Trophy events are published separately.
